

REMARKS/ARGUMENTS

Claims 1, 2, 5-29, 31-35 and 37-40 are pending. Claims 2, 4, 30 and 36 have been cancelled.

Independent Claims 1, 15, 19 and 29 have been amended to more particularly point out and distinctly claim the subject matter of Applicant's invention. Antecedent basis for the amendments is found in the claims indicated as allowable by the Examiner. Thus, no new matter issues are presented.

Applicant respectfully declines to add a Summary of the Invention, at this time. Such Summaries are not required in the MPEP.

Applicant would like to thank the Examiner for indicating Claims 4-11 and 32-39 would be allowable if rewritten in independent form.

Claim 1 has been amended to include the recitations of original claims 2 and 4, which have been canceled. Likewise, Claim 29 has been amended to include the subject matter of original claims 30 and 36, which have been canceled. In view of Applicant's compliance with the Examiners instructions, it is respectfully submitted that these claims and their dependencies are now deemed allowable.

Claim 15 has been amended to include the subject matter of original Claims 1, 2 and 6. Claim 6 was indicated as allowable. Accordingly, Claim 15 and its dependent claims are now deemed allowable.

Claim 19 is a system claim and has been amended to include the subject matter of former Claim 39. Claim 39 was indicated as allowable. In an analogous manner, it is respectfully submitted that Claim 19 and its dependent claims are now deemed allowable.

Applicants respectfully submit that all the pending claims define patentable subject matter. In view of the above amendments and remarks, all the pending rejections have been rendered moot. Withdrawal of such rejections is respectfully requested.

CONCLUSION

Based on the foregoing amendments and remarks, Applicants respectfully submit this application is in condition for allowance. Prompt allowance of the pending Claims is earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in better condition for allowance, the Examiner is invited to contact Applicant's representative at the telephone number listed below.

The Commissioner is hereby authorized to deduct any fees arising as a result of this Amendment or any other communication from or to credit any overpayments to Deposit Account No. 50-2117.

Please charge any fees that may be due to Deposit Account 502117.

Respectfully submitted,
